Help For S-Corporation Clients

Year-end is coming. Your S-corporation clients may need guidance on how to handle liability exposures related to reasonable compensation paid to shareholder-employees. It's a complex process for you and for them.

Our **Officer-Only Payroll Solution** provides powerful tools and support to simplify S-corporation payroll and save hours of detailed, manual work.

- Valid for entities with 1 or 2 paid officer employees
- Flexible payment choices including direct deposit
- Automatic payroll tax payments to help streamline cash flow
- Quarterly and annual payroll tax return preparation and filings*
- Timely and accurate payroll tax recordkeeping and reporting

Paychex has the resources, services, and tools to help S-corporation clients—and all your clients—be prepared and compliant.
