

MICPA PAC

MICPA Political Action Committee (PAC)

Thank You to Our Investors!

Your Investment = Real Impact

The Michigan Association of CPAs Political Action Committee (MICPA PAC) exists because of you. Every dollar invested strengthens our ability to advocate for the CPA profession in Lansing, ensuring your license, your livelihood, and your leadership in the business community are protected and advanced.

With your support, the MICPA PAC continues to:

- **Shape Policy:** Influence legislation that impacts the CPA profession and the businesses we serve.
- **Build Relationships:** Connect CPAs with lawmakers and regulators, ensuring your perspective is heard.
- **Educate Lawmakers:** Provide insight into how proposed laws and regulations affect Michigan businesses and taxpayers.
- **Champion Candidates:** Support those who uphold and advocate for the CPA profession.

We are so grateful to recognize the individuals who make this work possible.

Advocacy in Action: In the past year, PAC contributions helped make progress on:

- **Uniform Accountancy Act Updates for CPA Licensure** – AICPA and NASBA introduced an additional pathway to licensure (bachelor's degree + two years of experience + CPA Exam) and an interstate mobility model based on feedback from the MICPA, other state societies and all of our members.
- **Michigan Flow-Through Entity Tax Bill (HB 5022)** – MICPA, its members, and Michigan Treasury worked together to provide input, testimony and support for this bill which passed early in 2025 and addresses implementation challenges from earlier legislation.
- **CPA Day at the Capitol** – In 2025, MICPA organized its second CPA Day in Lansing, bringing 70+ members and students together to discuss profession-related issues with their legislators.

These wins are a direct result of your contributions. Without PAC investments, CPAs would have less influence in shaping these outcomes. Every name on this list represents a commitment to the future of the CPA profession.

Keep the Momentum Going

Investing in the MICPA PAC is more than a contribution, it's a commitment to safeguarding the future of our profession. Your support ensures that CPAs have a strong, unified voice in Michigan's legislative and regulatory arenas.

Together, we are protecting the CPA profession, influencing positive change, and shaping Michigan's future.
